THE PROFILE

Company Introduction.

Built on Trust. Driven by Impact.

Founded in 2007, Fortune Gifts Trading WLL began with a simple belief: a thoughtfully created gift can strengthen relationships, inspire loyalty and make a brand unforgettable.

Today, we are a trusted corporate gifting and event-merchandise partner to leading organisations across Qatar and the wider region. Supported by in-house production capabilities and a strong international sourcing network across the Middle East, China and India, we transform ideas into meaningful brand experiences—from premium corporate gifts and bespoke merchandise to high-quality printing and complete event solutions.

For nearly two decades, our promise has remained unchanged: uncompromising quality, dependable speed and absolute commitment to every client. We do more than deliver products—we help brands express appreciation, celebrate people and create impressions that endure.

Qatar: A Legacy of Courage

Born from the sea and shaped by the desert, Qatar’s story is one of courage, unity and extraordinary transformation. From generations of pearl divers and traders to its unification under Sheikh Jassim bin Mohammed Al Thani in 1878 and independence in 1971, Qatar has risen with purpose—preserving its heritage while building a bold, globally respected nation. Its history is more than a journey through time; it is the enduring spirit of a people determined to shape their own future.
